T: + 44 (0) 1275 858866

M: + 44 (0) 7796 005636

www.deks.co.uk

Deks Industries Europe Ltd. supplies roof flashings, flues, chimneys, lead replacement material, couplers and channel drainage. The company has over a century of experience to draw on, providing the construction and industrial markets with high quality products. Dektite roof flashings are designed for different kinds of roofs: metal, tile, slate and flat roofs. Flashings are made of EPDM rubber or silicon. We have a complete range of Solar flashings and also Seldek flashings for tile and slate roofs that won't stain or corrode roofs and gutters.
